

Community Outreach Kit Order Form

Pfizer Helpful Answers® has materials to help advocates educate patients in need about the help that is available to the uninsured and underinsured. Pfizer provides prescription assistance through our family of assistance programs and other industry-wide initiatives.

The Community Outreach Kit includes the following tools and resources for the organization to use:

- [Brochure](#) that details Pfizer Helpful Answers program options
- [Slide kit and speaker notes](#) that provide an overview of Pfizer Helpful Answers and how to access the prescription assistance programs
- [A short article](#) on prescription patient assistance programs to use in the organization's newsletter or on their web site
- [A Pfizer Helpful Answers program poster](#)
- [Pfizer Helpful Answers materials](#) for distribution throughout the community

Each organization can order Community Outreach Kit.

To place an order for the Community Outreach Kit, please complete the order form below. **This form should then be faxed to the fax number listed below.** Orders will be processed in the order in which they were received.
