

Pfizer Helpful Answers® has developed materials to help local organizations educate their communities about the help that is available for patients without prescription drug coverage through our family of patient assistance programs and industry-wide initiatives that provide patient prescription assistance.

Consumer Materials:

Tear Pad—Provides information about Pfizer Helpful Answers for patients to take home.

Take-One Display®—Includes information cards on Pfizer Helpful Answers for patients to take home. Place in the waiting room for easy patient access.

MAINTAIN™ Take-One—Provides information about Pfizer's newest program for the unemployed.

To place an order for these materials, please complete the order form below. **This form should then be faxed to the fax number listed below.** Orders will be processed in the order in which they were received.
